PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

Lockett Elementary School (LES) is committed to academic excellence for all of its students. The school's population consists of 330 students in grades Pre-kindergarten through sixth grade. Annually, the staff works diligently and tirelessly to ensure our students the best opportunities to learn.

This effort is evidenced by our test scores, PACT and Terra Nova, which are typically above the district and state average. As a result of these accomplishments, our school has been designated as a deregulated school by the State Board of Education.

Lockett Elementary has been and will continue to be successful academically, because of the stability of our staff, small classes, up-to-date technology and the support of parents. Teachers are dedicated and set high expectations for students.

Lockett Elementary is accredited by the Southern Association of Colleges and Schools (SACS) and school stakeholders worked very hard to accomplish this status.

A community working together to make all of its students productive and successful is the goal of Lockett Elementary School.
